ENOUGH!!!

GM and NHTSA - Get your butt out off the sofa and DO SOMETHING.

It's 2019 now. MOVE IT!!!!

Either:

(1) Cancel the recall (2008 Yukon)

(2) Make parts available so I CAN BUY and PAY FOR the fix at a GM dealership

(3) Force GM to perform the recall.

My vehicle sits parked:

- - I cannot licence it to drive.

- - I cannot sell it. NOBODY WANTS IT.

ENOUGH IS ENOUGH!!!!
