GM recall #2049151 (NHTSA Recall Number16V381)Takata airbag inflators. I live in Dallas where it's hot and humid. I received my recall notice in July 2016. Called Chevrolet Customer Assistance Center today 1-30-19 they said there was no plan to replace the airbag infators at this time until NHTSA rules on GMs Petition for Inconsequentiality. It is time that National Highway Traffic Safety Administration to tell GM to replace these bad air bags!
