**Supplier Identification :****Component Manufacturer**

Name : Spartan Motors  
Address : 1541 Reynolds Rd  
Charlotte MICHIGAN 48813  
Country : United States

**Chronology :**

1-23-19 received prenotification from spartan on chassi recall - part of notification information was list of affected chassis vins sold to Entegra that were affected - VINS matched immediately to Entegra product serial numbers to locate current location of affected motorhomes. Chassis/ motorhomes still on site at Entegra were repaired by Spartan. Week of 2-5-2019 received official notice from Spartan that recall was released 2-22-19 Safety Committee reviewed details and agreed that a Chassis supplier pass through recall was required.

**Description of Remedy :**

Description of Remedy Program : Spartan Service centers will inspect to determine if the retainier pin is missing or if the cotter pin is installed correctly. If found missing , pin will be installed. If not installed correctly in the actuator rod, it will be installed correctly and brakes adjusted.. ALL AT NO CHARGE

How Remedy Component Differs from Recalled Component : NR

Identify How/When Recall Condition was Corrected in Production : NR

**Recall Schedule :**

Description of Recall Schedule : Spartan released recall 19v049 week of 2-5-2019 to current owner - Entegra is filing recall to call out our motorhome product affected by the chassis recall - upon receipt of recall number from NHTSA, jayco will post information on affected product on Dealer website.
