GM is now Recalling & Repairing the Passenger Air Bag for Silverado 2500HD's. (For Example 2008 VIN# 1GCHK23658F152924). They are using a replacement Passenger Air Bag (GMPARTSDIRECT>COM) Part# 25812358.

This part number is exactly the same # required for my 2008 Silverado 1500 (VIN# 1GCEC19C68Z111630), yet the 1500's are not yet available.

HOW CAN THIS BE ALLOWED!!!
